

2016 West Texas Auxiliary Championships (WTAC)

Coronado High School

September 24, 2016

Information

Entries of your group must be from your school. You must bring ALL of your own equipment. Exception: Sound for twirlers, drum majors, and flags if needed. iPhones/iPods or other mp3 devices are preferred for playback.

FORMAT:

Line Competition

• Flag lines and Drum lines will be given a time slot for **set up, performance, and a clinic from the judges**. First, second, and third place will be awarded in each classification. And, an outstanding line will be chosen from Middle School, A-4A, and 5A-6A. Time slots will be 20-30 minutes dependent upon the number of entries.

• The drum line competition is intended for drum line instruments only and should include mark time with the battery (drill design is not expected or graded). Small woodwind/brass ensembles will be allowed but **will not** be judged. These ensembles will also **not be considered** in the overall performance of your group.

• Twirling lines will follow a similar format to drum lines and flag lines. Unfortunately, we will not have twirling clinics following the performances. First, second, and third place will be awarded in each classification, and an outstanding line will be chosen from Middle School, A-4A, and 5A-6A.
