## Wind and Percussion Declaration of Intent Form for 3A, 4A, 5A, or 6A All-State Band Track

Complete this form for each student entering auditions only if auditioning outside your assigned Track or for the TMEA All-State Jazz Band. Students in class 1A, 2A and 3A are restricted to the ATSSB 3A Track and students in class 4A are restricted to the ATSSB 4A Track unless submitting this form with the first all-region band audition entry.

**Wind and percussion students named to the All-State Full Orchestra and 6A All-State Bands will be chosen from students who audition through the 6A track only. Any ATSSB student may choose to compete in any track, but it is assumed that ATSSB students are taking the ATSSB 3A or 4A track (depending on their school class) unless this form is submitted choosing a class outside their track prior to the first all-region band audition. Once a track selection is made, a track may not be changed.**
